MISSION

# QUALITY INSTITUTES TO STUDY IN COUNTRIES LIKE

### **Career Counselling**

Confused about what course to take or what line of work you should get into? No worries. We can help you figure that out by finding out your interests and aspirations.

### **Course & University Selection**

Depending on the student's interest, we at Insight International will suggest the suitable for courses and the universities that provide them. We have tied up with several internationally renowned universities that provide the best courses in various disciplines.

### **Admission Procedure**

Once the university has been selected, we begin the admission procedure. From the payment of the initial fee to the receipt of the university acceptance letter, we will be there to show you the way.

### Educational Loan

Through our partnership with several banks, the process of getting an educational loan is simple and quick. We will help you through the formalities of acquiring an educational loan without any hassles.

### Fee Payment

We will carry out the payment of the tuition fees as per the rules stipulated by the university the student is enrolling at. Payments may be made through cheque, money order, bank wire, credit card, or direct account debit.

### Visa Guidance

We support the entire process of obtaining a visa for our students. Our services cover the filling out of application forms and coaching for mock interviews. Some countries have an online visa process while others have a paper based application procedure. We will provide complete assistance depending on the needs of the country you are travelling to.

### **Pre-departure Briefing**

Students who are traveling will be given a pre-departure briefing which will cover what they have to do in the new country for the first 90 days. We will cover all important aspects that are to be kept in mind by the student on their journey. This includes documents they must carry and quarantine rules.

### **Travel Desk Assistance**

We will ensure that your travel is hassle-free by taking care of ticket bookings, pick up and drops, to and from airports. Our team members at the destination country will also ensure the student's accommodation is taken care of.

### **Legal Assistance For Permanent Residence**

We provide all legal assistance to acquire permanent residence in your country of stay. This includes filling out all the applications and ensuring that the necessary documentation works are complete.

When a group of experts come together to form an A-class team that strives to provide A-class service, you get a reliable and trustworthy organization that aims to excel. That's Insight International. Excellence in service is our core focus and each client will be hand-held through the entire process of studying abroad and settling down in the country of choice. We are the go-to study abroad consultants due to several factors:

### **Depth of Experience**

We process more than 200 student visas to different countries every year. Our long list of happy clientele is demonstrative of our expertise in the services we provide.

### **Successful Track Record**

We have an enviable track record with 0% visa rejection rate. We have been able to process the visa of each and every client of ours, and it's a track record we aim to uphold.

## Transparency

Transparency in our processes is one key feature of our service. We are forthcoming and straightforward with all steps of the study abroad process, including expenses. You never have to worry about any hidden costs when working with us.

## Client-first Mindset

We strive to understand the students and their needs to provide the best service we can. This includes understanding their preferences and budget, and making suggestions accordingly.

## Trustworthy

We are extremely careful when it comes to our documentation process and the filling out of forms and applications. We deal with a large number of important documents on a day-to-day basis, and we are aware of the responsibility entrusted to us to take care of them and in providing the right information.

## Hand-in-hand Approach

We have adopted a hand-in-hand approach where we guide our students through the whole process of studying abroad, this includes payment of fees, finding an accommodation and applying for permanent residence. Our duties only end when the student has received the PR in their preferred destination.

## 1. Spouse Visa

Countries such as Canada and the UK allow foreigners on student visa to bring their spouses to the country they are in. Insight International will do all the necessary documentation and related processes to help those who need assistance in acquiring a spouse visa.

## 2. Immigration

We provide students and working professionals complete assistance and guidance in immigrating to Canada, the UK, Sweden, Germany or the US. We also carry out immigration services for the student's family members.

## 3. IELTS Coaching

Passing the IELTS, an English language test, and getting a decent score is a must for students hoping to study in countries like Canada, Australia, and New Zealand. The IELTS preparation course covers all aspects of the test, which are reading, listening, writing, and speaking. Our coaches from ELLS ACADEMY will ensure that you improve your language skills and achieve the required score in your IELTS.

#### **4. Accomodation**

In all countries, we have partnered with several property dealers and private owners to provide accommodations to our students near their place of study. We will also negotiate prices on your behalf to get you a convenient and affordable place of stay.

#### **5. Air Ticket Booking**

Air ticket bookings are now easy through the help of Insight International experts. We will make the bookings on your preferred route and date of journey. We also provide group booking services. Trust Insight International to provide you a hassle-free travel experience. We will do everything to ensure you have a comfortable flight to your destination.
